**INFORMATION CIRCULAR
ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON DECEMBER 12, 2017, AT 1:00 P.M. (VANCOUVER TIME)**

DATE AND CURRENCY

This Information Circular (the “Circular”) is dated November 7, 2017, and all information is presented as of November 7, 2017 unless otherwise noted. All amounts are in Canadian Dollars unless otherwise noted.

PROXIES

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company at nominal cost. The Company will bear all costs of this solicitation.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **IF YOU ARE A SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, YOU HAVE THE RIGHT TO APPOINT A PERSON OR COMPANY OTHER THAN EITHER OF THE PERSONS DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING. YOU MAY DO SO EITHER BY INSERTING THE NAME OF THAT OTHER PERSON IN THE BLANK SPACE PROVIDED IN THE PROXY OR BY COMPLETING AND DELIVERING ANOTHER SUITABLE FORM OF PROXY.** If your shares are held in physical form (ie. paper form) and are registered in your name, then you are a registered shareholder (“**Registered Shareholder**”). However, if, like most shareholders, you keep your shares in a brokerage account, then you are a Beneficial Shareholder. The manner for voting is different for Registered Shareholders and Beneficial Shareholders. The instructions below should be read carefully by all shareholders.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified, the persons named in the Proxy will vote the shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by mail or by hand to the 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to the following toll-free number 1-866-732-8683. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the holder's account number and the Proxy control number; or
- (c) using the Internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the Proxy control number.

In all cases, the Proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of shares).

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Company. Such shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for "**Objecting Beneficial Owners**") and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for "**Non-Objecting Beneficial Owners**").

Pursuant to National Instrument 54-101 of the Canadian Securities Administrators, the Company is sending proxy-related materials directly to NOBOs, which materials will include a scannable Voting Instruction Form (a "**VIF**"). These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and Internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

Management of the Company does not intend to pay for intermediaries to forward to OBOs under National Instrument 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and, in the case of an OBO, the OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

Every intermediary that mails proxy-related materials to Beneficial Shareholders has its own mailing procedures and provides its own return instructions to clients. Beneficial Shareholders should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form (the "**Broadridge VIF**") which will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. The Broadridge VIF

will appoint the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the Broadridge VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Broadridge VIF. The completed Broadridge VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **If you receive a Broadridge VIF, you cannot use it to vote shares directly at the Meeting – the Broadridge VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your shares in that capacity. **If you wish to attend at the Meeting and indirectly vote your shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.**

Alternatively, you can request in writing that your broker send you a legal Proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Computershare at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or to the address of the registered office of the Company at suite 1502 – 1166 Alberni Street Vancouver, BC V6E 3Z3, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Shareholders registered on November 7, 2017 (the "**Record Date**"), are entitled to attend and vote at the Meeting. The Company's authorized capital consists of an unlimited number of common shares without par value and 50,000,000 preferred shares without par value, each share carrying the right to one vote. STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Interpretation

In this section:

“CEO” of the Company means each individual who acted as chief executive officer of the Company or acted in a similar capacity for any part of the most recently completed financial year.

“CFO” of the Company means each individual who acted as chief financial officer of the Company or acted in a similar capacity for any part of the most recently completed financial year.

“Named executive officer” or “NEO” means each of the following individuals:

- (a) a CEO;
- (b) a CFO;
- (c) each of the three most highly compensated executive officers of the Company (including any subsidiaries), or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year as determined in accordance with subsection 1.3(6) of Form 51-102F6 *Statement of Executive Compensation*; and
- (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are P. Randy Reifel, President and Chairman of the Company and Sam K. Wong, CFO of the Company.

Compensation Program Objectives

The objectives of the Company’s executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Company’s continued success;
- to align the interests of the Company’s executives with the interests of the Company’s shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with

similar financial, operating and industrial characteristics. The Company is a venture company involved in early stage mineral exploration and development; therefore it will not and may never generate significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Company to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Company's executive compensation program has been designed to reward executives for reinforcing the Company's business objectives and values, for achieving the Company's performance objectives and for their individual performances.

Elements of Compensation Program

The executive compensation program consists of a combination of fees, performance bonuses and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a performance-based bonus meant to motivate the NEO to achieve short-term goals. The pre-established, quantitative target(s) used to determine performance bonuses are set each financial year. Awards under this plan are made by way of cash payments only, which payments, if any, are made at the end of the financial year.

Stock options are generally awarded to NEOs on an annual basis based on performance measured against set objectives. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Company's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program

Compensation Committee

The Compensation Committee is comprised of two directors, Ian D. Robertson and Daniel Kunz, who are independent directors. The Committee is responsible for reviewing the adequacy and form of compensation paid to the Company's executives and key employees, and ensuring that such compensation realistically reflects the responsibilities and risks of such positions. In fulfilling its responsibilities, the Compensation Committee evaluates the performance of the chief executive officer and other senior management in light of corporate goals and objectives, and makes recommendations with respect to compensation levels based on such evaluations.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee relies on the general experience of its members in setting base salary amounts.

Performance Bonuses

The Compensation Committee oversees the operation of the Company's bonus plan by evaluating and approving the targets and the objectives to be met by the NEO and the amount of bonus payable, if any, at specific levels of attainment of those targets and objectives. The bonus for each individual NEO varies dependent upon the position and the factors considered in assessing the bonus amounts include, but are not limited to, expense control and attainment of specific strategic business goals.

Stock Options

The Company has established a formal stock option plan (the “**Stock Option Plan**”) under which stock options are granted to directors, officers, employees and consultants as an incentive to serve the Company in attaining its goal of improved shareholder value. The Board, based on recommendations of the Compensation Committee where appropriate, determines which NEOs (and other persons) are entitled to participate in the Company’s Stock Option Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price. Previous grants of option-based awards are taken into account when considering new grants.

The Board makes these determinations subject to the provisions of the existing Stock Option Plan and, where applicable, the policies of the TSX Venture Exchange.

Previous grants of option-based awards are taken into account when considering new grants.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Option-based Awards

As stated above, the Company has implemented the Stock Option Plan and the Board regards the strategic use of incentive stock options as a cornerstone of the Company’s compensation plan. It applies to employees at all levels and continues to be one of the Company’s primary tools for attracting, motivating and retaining qualified employees, which is critical to the Company’s success. The Company is committed to long-term incentive programs that promote the continuity of an excellent management team and, therefore, the long-term success of the Company.

The Board is responsible for administering the Stock Option Plan. The Board, based on recommendations of the Compensation Committee where appropriate, is charged with responsibility to determine the type and amount of compensation to be paid to directors, officers, employees and consultants of the Company including the awards of any stock options under the Stock Option Plan.

All grants of stock options to the NEOs are reviewed and approved by the Board, and by the Compensation Committee where appropriate. In evaluating option grants to a NEO, the Board evaluates a number of factors including, but not limited to: (i) the number of options already held by such NEO; (ii) a fair balance between the number of options held by the NEO concerned and the other executives of the Company, in light of their responsibilities and objectives; and (iii) the value of the options (generally determined using a Black-Scholes analysis) as a component in the NEO’s overall compensation package.

Refer to the section below “Summary Compensation Table” for details of management compensation payable during the current fiscal year.

Option Re-pricings

No options held by the NEOs were repriced during the Company’s most recently completed financial year ended December 31, 2016.

The Company's Stock Option Plan is a "rolling" plan. The Stock Option Plan has been established to attract and retain employees, consultants, officers or directors to the Company and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company. As at the end of the financial year ended December 31, 2016, 1,425,000 common shares were reserved to be granted pursuant to the Stock Option Plan.

The Board is of the view that the Company's general approach to corporate governance, summarized below as required by Form 58-101F2, is appropriate and substantially consistent with objectives reflected in National Policy 58-201, *Corporate Governance Guidelines* (the “**Guidelines**”).

Board of Directors

The Guidelines recommend that the Board of every listed company should be constituted with a majority of individuals who qualify as “independent” directors. National Instrument 52-110 *Audit Committees* (“**NI 52-110**”) provides that a director is “independent” if that person has no direct or indirect “material relationship” with the

issuer. A “material relationship” means a relationship which could, in the view of Board, reasonably interfere with the exercise of a member’s independent judgement.

The Board is currently composed of four directors, two of whom (Daniel J. Kunz, and Gerald Sneddon) are “independent”, as such term is defined in NI 52-110. The remaining directors are not considered to be “independent” since they serve as executive officers of the Company or served as executive officers of the Company in the past three years. Ian D. Robertson is also not independent because he is a partner in the law firm which provides legal services to the Company.

The following current directors are presently directors of the other reporting issuers listed below:

Ethical Business Conduct

The Board has adopted a Corporate Governance Policy, which includes a Corporate Disclosure Policy, Whistle Blower Policy, Code of Business Conduct and Ethics and Insider Trading Policy which applies to all directors, officers, employees and consultants, and prescribes a high standard ethical conduct in all dealings related to the affairs of the Company.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of shareholders. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company’s mission and strategic objectives, and a willingness to serve.

Other Board Committees

In addition to the Compensation Committee above referred to, the Board has formed an Audit Committee, the Corporate Governance Committee, and the Technical Committee. These committees are discussed herein. The Corporate Governance Manual includes Terms of Reference for a Nominating Committee, but the Company has not yet appointed members to this committee. Nominating Committee’s intended function is to assist the Board in identifying and evaluating qualified candidates and recommending such candidates for nomination to the Board and its committees.

Assessments

The Company wishes to reapprove the Stock Option Plan which provides for the grant of options to purchase shares to certain eligible persons, including directors, officers, employees and consultants of the Company.

Pursuant to the Stock Option Plan, the Company has authorized the reservation of up to 10% of the issued and outstanding common shares of the Company for the grant of options from time to time. Under the Stock Option Plan, the Board may from time to time grant to directors, officers, employees and consultants of the Company, as the Board will designate, options to purchase from the Company such number of its common shares as the Board will designate. Some of the significant terms of the Plan are as follows:

1. Options may be granted on authorized but unissued common shares up to but not exceeding 10% of the issued and outstanding common shares of the Company at the time of any such grant of options.
2. The exercise price per share fixed will not be less than eighty-five percent (85%) of the fair market value per share of common shares on the option grant date.

 - (c) If an optionee dies while holding an outstanding option, then the personal representative of his or her estate or the person or persons to whom the option is transferred pursuant to the optionee's will or the laws of inheritance or the optionee's designated beneficiary or beneficiaries of that option will have a twelve (12)-month period following the date of the optionee's death to exercise such option.
5. The Board or committee will have full authority to determine which eligible persons are to receive grants, the time or times when those grants are to be made, the number of shares to be covered by each such grant, the time or times when each option is to become exercisable, the vesting schedule (if any) applicable to the option shares and the maximum term for which the option is to remain outstanding.
6. All options granted pursuant to the Stock Option Plan will be non-assignable and non-transferable.
7. All options will except as may otherwise be determined by the Board, vest as to 25% of the option grant on the first anniversary of the date of the grant of option and 25% thereafter on the 2nd, 3rd and 4th anniversary date of the grant of option.

Such grants will be made under the terms of the Plan and within the rules and policies of the TSX Venture Exchange, or such other stock exchange or quotation system on which the Company's Common shares are listed and posted for trading, which are in effect at the time of granting and the exercise of any options granted pursuant to such authorization is hereby approved."

The Board recommends that shareholders vote IN FAVOR of the foregoing resolution approving the renewal of the Plan. The persons named in the enclosed Proxy intend to vote FOR the approval at the Meeting unless otherwise directed by the shareholders appointing them.

OTHER MATTERS

Save for the matters referred to in this Circular, management knows of no other matters intended to be brought before the Meeting. However, if any matters which are not now known to management will properly come before the Meeting, the Proxy given pursuant to this solicitation by Management will be voted on such matters in accordance with the best judgement of the person voting the Proxy, in the event such discretionary authority is provided in the Proxy.
